## Introduction

'Shree Bhairav Seva Samiti' began its journey to serve the hearing impaired children in 1986. It was evolved under the guidance of our honourable founder Late Shri Rajmalji S. Jain who started 'Shree Bhairav Karna Badhir Vidhyalaya' in Bhiwandi with only 5 students. In 1995 the drive was to listen to the unspoken voice of speechless and support the hearing disabled children from the neighbouring tribal, rural & remote locations, and thus a Residential School named 'Shree Nakoda Karna Badhir Vidhyalaya' in Saravali was built. The premises is spread over 2 acres of land with 2 elegant School & modern hostel buildings, a vast playground and a temple. Currently more than 200 students are pursuing quality education & vocational training. Since inception it has contributed to create happy life and provides living to many children. It takes pride to say that we have a success record of 100% passing results in SSC since its inception.

## School Amenities

- Speech Therapy Room
- Frequency modulation System
- Group Hearing Aid
- Behind The Ear Hearing Aid
- Doctor Speech Software

Other facilities like Solar water-heaters, well equipped Gymnasium, Health care rooms & Ambulance, Television, Projectors & VCD players are also available.

Speech Room

Yogasan

## Early Intervention With Cochlear Implant

“Earlier the detection, better the intervention”. In our early intervention program, there is an early diagnosis of the hearing loss, with an attempt to take remedial measure. These children are given quality training of speech & language development.

We conduct workshop for Parents & counsel them about the importance of cochlear Implant and guide them the procedure of before & after the surgery. And thereafter, Cochlear Implant students are given Audio Verbal Therapy (AVT) and these implanted student are integrated to normal Schools.

Early Intervention Class

Cochlear Implant

## Art & Craft

- Sand & Glass Painting, • Embossing
- Waste reuse • Flower Making • Stone Work
- Jewellery Making • Quilling Frames

## Vocational Training

Our school strongly believes that vocational training to the students will help to identify the potential of these students, harness their skill and hereby making them self-dependent and financially independent.

Beauty Parlour Class

Cooking Class

## Sports

**Positive Mind & Strong Body is the outcome of Physical Play.** With our strong commitment to physical development, it has played an important role for the overall nurturing of the child. Our school students have won prizes at State, National & International level in various sports.

## Special Achievements

- Our student - Devendra Chandrakant Patil is a Gold Medallist at the National Abilympics Championship. He was selected for the Inter-National Abilympics 2011 which was held in South Korea.
- Our another student - Dhananjay Vilas Shelar is also a Gold Medallist in the National Abilympics Championship. He was selected for the Inter-National Abilympics 2016 , held in France.
- In 2012, Superstar Shri Amitabh Bachchan awarded the first prize to our student at the Cultural competition organized by Maharashtra Police, Thane.

**Prize conferred by Shri Amitabh Bachchan**

## Social awareness / Rehabilitation

Our Ex-Students are encouraged to do their own business like, Tailoring, Photography, Beauty Parlour. We are strongly committed for the rehabilitation of our students. Many of our ex-students are leading a balanced & an independent life. Most of our students are recruited in Government sector for jobs. The highlight of our school is that , In 39 students were appointed for various posts by Mumbai Municipal Corporation in the year 2016.
